

KIGLY Large Sensory Mats Instruction Manual

Welcome! This quick-start manual helps you prep, place, and care for your sensory mats.

Unpack: Inspect all nine tiles and allow them to rest flat for 12 hours after shipping.

Set Up: Arrange on a clean, dry surface. For vertical use, pair with removable mounting strips.

Play Ideas: Create color-coded hopscotch, balance paths, or calm breathing stations.

Care: Wipe with a damp cloth and mild soap. Avoid harsh chemicals or machine washing.

Storage: Stack tiles texture-side up in the included sleeve to maintain embossing.
